

# Bridgette Floyd

Tiffany K. Jordan is a global visionary leader. She is called by God to Apostolic & Prophetic Ministry. She carries the message of the Kingdom of God, and is passionate about eradicating generational systemic poverty. She is known as an intercessor, author, mentor, life coach and entrepreneur.

## Publication:

There is a significance in understanding who you are and why you exist in order to live life to it's fullest potential.

You are created in the image of Christ and totally understanding that image: how it looks, how it sounds, are just a few of the things that enable you to put your existence into perspective.

What do you see when you look in the mirror?
