

Jannett Morrow

An Author & Speaker. Jannett endeavors to help individuals see how much God loves them and to help expose how much potential for greatness they have. Through her books, Jannett also challenges individuals to be real with themselves and deal with hindering issues and move into purpose. Jannett believes that wholeness is possible once an individual decides to move forward.

Publications:

This book will help you by giving you some key points that can get you unstuck and move you from where you are to where you need to be. This great book will help you identify areas that you may not realize are keeping you stuck in a cycle. There is greatness in you ready to come out. Let it out and see how blessed you are as you are being a blessing to many. **\$10**

This 31 day devotional will help you discover that you have the power to produce greatness out of your life. You will learn what God says about you, build confidence in knowing who you are and develop a greater desire to seek His Word for your life. It will help you declare the Word daily in your life! **\$9.95**

This book will give you insight on the importance of being a committed person and why Jesus committed Himself to you even before you were born. This truly shows your value. The more you know about who you are, the more you can fulfill your purpose. Let's discover together!
